To a Sustainable Future

Being sustainable and looking stylish doesn't have to be mutually exclusive. In conjunction with Earth Day in April, City Square Mall partners with **Temasek Polytechnic School of Design** to show shoppers how sustainable practices can be integrated into the creative process behind design and fashion at City Square Mall's Atrium. This meaningful exhibit aims to educate the public about upcycling and reducing environmental destruction, while achieving two of the three 'R's of recycling - Recycle & Reuse – to protect and preserve our planet.

With pre-loved designer dresses sponsored by Style Lease, a fashion rental platform of multi-label international designer styles, Year 2 students from Temasek Polytechnic will showcase their upcycling project designs in a fresh and inventive way. Designer dresses will be turned into ethical and

sustainable fashion creations that are versatile enough to be worn on multiple occasions – maximising its usability while allowing women to look their best from day to night.
